"Following feedback from my questionnaire earlier, I have adopted a new format for this week and based all golf at the fabulous Infinitum resort, which has some of the best greens I have ever putted on. We will have a 36-hole pairs competition the first 2 days, followed by a day off, then 36 holes individual the next 2 days. There will be overall prizes and daily ones, too.

You can either enter The Pairs as a couple, or as an individual and I will find you a partner. If you haven't been to Cambrils before, I am sure you will love it there. it is definitely my favourite European venue
