

GOLF ON THE COSTA DAURADA SPAIN

13 - 20 September 2025

20 - 27 September 2025

A fabulous week of golf on two of the best golf courses Spain's Costa Daurada has to offer. Your holiday will include 4 rounds of golf at the following:

Mon	Infinitum Lakes
Tues	Infinitum Hills
Thurs	Infinitum Lakes
Fri	Infinitum Hills

(Infinitum - formerly Lumine - has hosted a number of previous European Tour Final Qualifying events.)

I have decided to play all the golf at the Infinitum Resort as it's always in such good condition and everyone really enjoys the courses. The Hills course will be undergoing a major renovation next year, so we will play the first 9, followed by the 9-hole Ruins course. This will be a very enjoyable circuit and by way of compensation, the buggies for the 2 days on the Hills will be complimentary.

Golf transfers included (20-30 minutes) from the hotel, with perfect tee times from 10.00am each day.

Prize table.

Staying at the Hotel Monica in Cambrils on a 7-night B&B basis with 3 dinners at the hotel included.

Excellent location, just 2 minutes from the beach, with plenty of cafes, restaurants and shops nearby.

Cambrils is a classy fishing town, popular among Spaniards and Europeans alike. When not on the golf course or beach, its old town can be enjoyed for its culture and quality restaurants. It is located some 100km south of Barcelona and is the more peaceful alternative to its neighbour Salou.

Cost per person:	£1,097
Single Supp:	£140
Standard Pool Facing Room:	£70 per room
Deluxe Pool Facing Room:	£140 per room

Airport transfers are not included, but transfers from Reus Airport but will be arranged for you. Transfers will be approximately 40-50 euros per person.
