

AUTUMN 2025 CYPRUS GOLF FESTIVAL

15 - 22 November

Prices
£1,155 pp sharing Twin Room
£1,330 Single Occupancy
£690 Non-Golfer

April 2024 was our first visit to Cyprus. 70 golfers took part over the 2 weeks and everyone voted this to be a superb new venue. All of the courses were in great condition and each offered a different challenge. Most players enjoyed Minthis Hills so much, that I've booked 2 days there.

The Athena Royal Beach Hotel was superb, with really well-equipped rooms, very good food and terrific staff. It's also right on the beachfront and is adults only.

The hotel is only 15 minutes from Paphos airport and I will organise return transfers. In view of its popularity and the still wonderful climate in late Autumn in Cyprus, I'm offering the opportunity for some final warm sunshine golf before the depths of the UK winter kick in.

Paphos:

The charming west coast town of Paphos is set around an attractive little harbour, whose picturesque open-air fish restaurants line a quayside alongside many bright fishing boats.

Paphos has an air of holiday charm combined with history and olden-day elegance. The lower part of the town, known as Kato Paphos - literally lower Paphos - has a life of its own. Down near the sea, home of the harbour, the fish taverns, souvenir shops and several modern hotels with important archaeological sites around them.

Paphos is known as the "Playground of Aphrodite" and the "Aphrodite's Rock", birthplace of the goddess, just dramatically out to sea, can be found some 16 miles east of the town.
